

How to Create A REGULARLY SCHEDULED

To begin, log in to **ShareTheRide.com**. From your dashboard, click MANAGE, then INCENTIVES.

You will see a list of your network's current incentives (if any). Click the green **+NEW INCENTIVE** button at the top right corner of the screen.

BASIC INFORMATION

In Incentive Name, use a protocol such as Month-Year-Contest Name.

In Incentive Reward, we recommend something like "Enter for a chance to win a ____."

In What Type Of Incentive Reward Is This?, select Contest.

In Incentive Description, tell how members qualify to enter the contest. There's a link to optional "Markdown Syntax" at the bottom for bold, italics, and illustrations if desired.

Copy and paste the **Incentive Description** to **Incentive** Description (mobile). Note that certain image tags don't work on mobile devices.

IMPORTANT: In **ShareTheRide**, **Tags** are for filtering. We suggest something that indicates the network, time period and contest name. No spaces are allowed. Press your space bar or **ENTER** key to create the tag.

In Point of Contact Name, enter the name of the Transportation Coordinator (TC).

In Contact Email, enter either the TC's email address or your organization's general TRP email.

Incentive Reward *Roqui Enter for a chance to win a \$25 Bashas gift card. What the user will receive upon completing the incentive What Type Of Incentive Reward is This? *Roqui Contest *TERMINOLOGY Click to view terminology changes with this reward type. Incentive Description *Roqui ACME Industries is proud of their products and employees and we want to encourage alternate modes for all your trips, including trips to work. We are no longer including trips with rocket equipped propulsion, but we do like thinking outside the box. If you use roller skates as a mode then please select walk. USER ELIGIBILITY AND NETWORK

We recommend setting Auto-Join New Eligible Users to "on" (blue). New members will automatically be enrolled in the contest. Existing members will still need to enter the contest after tracking their trips.

In Which Networks Are Eligible?, select your network.

If you have sub-networks (stores or sites) that are not eligible for this contest, you can exclude them using the Exclude These Networks field.

In Which Networks Managers Can Edit/View Report?, select your network.

Leave Should This Incentive Be Hidden If The User Is **In Another Specific Incentive?** blank (it will say "Search Incentives.")

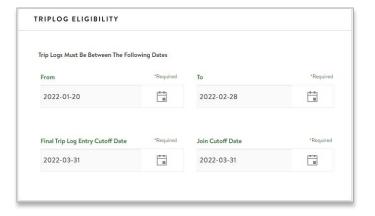

TRIPLOG ELIGIBILITY

Use the **From** and **To** fields to set the new start and end dates for the contest.

In **Final Trip Log Entry Cutoff Date**, select the last day members can track trips to qualify for the contest. We recommend six days into the following month.

We suggest setting the **Join Cutoff Date** to match the Final Trip Log Entry Cutoff Date.

DETAILS

We recommend setting **Auto-Claim Incentive** to "on" (blue). This allows the incentive to be automatically claimed once a user becomes eligible.

Leave Restrict Eligible Trips To Specific Sources? blank. You want your users to be able to use mobile trackers.

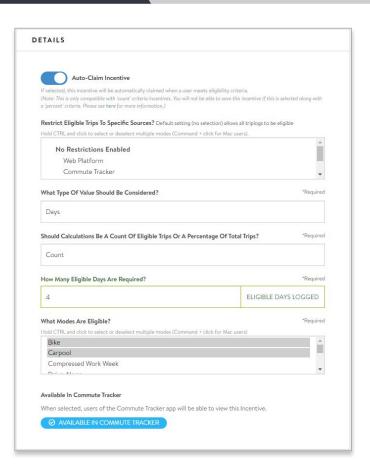

In **What Type Of Value Should Be Considered?**, select Trips, Days or Distance.

In Should Calculations Be A Count Of Eligible Trips Or A Percentage Of Total Trips?, select Count.

In **How Many Eligible Days Are Required**, enter the number. This may change to **How Many Eligible Trips** (or Miles) **Are Required** to reflect the value previously selected.

In **What Modes Are Eligible?**, hold the CTRL key down and select the modes eligible for this contest.

Leave **Available In Commute Tracker** selected (checked). This allows users to see your contest in the mobile app.

REDEMPTION

We suggest you leave **How Should Redemption Be Handled?** set to Basic and **Require submission to Supervisor for approval?** set to "off" (greyed out).

All items on the checklist of sections in the top right corner of your screen should now be green or blue.

Finally, click the green **CREATE INCENTIVE** button.

CONGRATULATIONS! You have created a regularly scheduled contest in the new **ShareTheRide**.
