

# Earth Day – Every Day Fun!

FIND THE HIDDEN OBJECTS BELOW:

**Bicycle** - bike more, drive less

**Book** - learn more about saving our natural resources

**Bus** - one bus can take 40 cars off our roads

**Coffee cup** - avoid using a plastic or paper cup

**Earth** - what can we do to protect our world today?

**Glass bottle** - glass can be recycled into many useful items

**Hand** - volunteer for projects that improve our community

**Light bulb** - all buses are equipped with LED lighting

**Light Rail** - trains are powered by electricity and are insulated to reduce cooling loss

**Paper** - one ton of recycled paper saves 17 trees

**Plastic bottle** - some of our buses have seats that are covered with fabric made from recycled plastic bottles

**Plant a tree** - trees provide food and oxygen

**Recycle symbol** - recycling is one small way we can keep items out of landfills, our waterways, and the ocean

**Reusable shopping bag** - bring your own cloth produce bags to the grocery store or a farmers market

**Soap bar** - purchase eco-friendly and sustainable products

**Soda can** - recycling a single aluminum can saves enough energy to power a TV for three hours

**Tomato** - start a small garden, even an herb garden in your windowsill

**Water drop** - 60% of water used to wash buses and trains is saved to use again
