About the Project

This new station along the existing Valley Metro Rail system will serve the communities and future development near 50th and Washington streets.

The new station provides access to the Ability360 facility and neighboring business community, as well as supports transit oriented development planned for the area. This project was made possible by funding from the Phoenix voter-approved Transportation 2050 (T2050), and a 35-year citywide transportation plan.

PROJECT STATUS

- Opening celebration held on April 24 and station opened to the public on April 25, 2019
- New traffic signal system activated for vehicular traffic and pedestrians
- Project artwork installation completed
- Project landscaping elements completed

NEXT STEPS

- Perform miscellaneous punch list work, including platform touch-up paint and sign installation
- Complete operator facility commissioning
