

SHARTHERRIDE.COM CUSTOM NETWORK BENEFITS

What is ShareTheRide?

ShareTheRide is Valley Metro's online multimodal trip matching tool which connects commuters to a secure online matching program for carpooling, vanpooling, transit, bicycling and walking options. The site also provides information so busy Valley commuters can learn how different forms of transportation can meet their travel needs.

ShareTheRide is free of charge for users. The system matches commuters based on travel routes, schedules and preferences.

In addition to creating commute matches, ShareTheRide offers network managers ways to conduct online contests for alternative mode users, calculates pollution savings, financial savings and more.

This online tool will streamline your Travel Reduction Program (TRP) record keeping.

What is a ShareTheRide Custom Network?

A ShareTheRide custom network is an online resource to help transportation coordinators manage their specific company's TRP incentives. You can track employee participation, access reports, facilitate contests and more. The site is set up just for you and your organization!

What are Benefits of a ShareTheRide Custom Network?

- Easy recordkeeping for Maricopa County TRP Annual Plan audits
- Employee access to forms, policies and contests 24/7
- Saves paper and reduces waste
- Promotes your company's TRP benefits
- Enables your own contests & company competition
- Access to Valley Metro's contests, pledges and challenges
- Easy access to cost savings and sustainability data
- Ability to appoint more than one network manager
- Free for all TRP company participants

Does Valley Metro offer any free promotional materials or small giveaway items to help network managers promote ShareTheRide?

Yes, we have flyers and other giveaways such as pens, lip balm and t-shirts (limited quantities) to help you. *Please note: These items should not be used as sole prizes for your TRP, employers must still allocate a budget for incentives related to their program.*

How Do I Learn More?

Contact your Commute Solutions coordinator at 602.262.RIDE (7433).
