Join the Valley Metro Accessibility Advisory Group

The Valley Metro Accessibility Advisory Group (VMAAG) is your chance to offer insight and feedback by advising Valley Metro staff about products and services impacting the use of light rail, bus, express bus, Paratransit and RideChoice services or people’s ability to access the community through public transit.

Who Can Join VMAAG?

VMAAG does its best to reflect the geographic, gender, ethnic and disability diversity of the Metro Phoenix area. This 15-member group consists of Maricopa County residents who meet any of the following criteria:

• A person with a disability

• A senior, age 65 or older

• A caregiver for a senior or person with a disability

• An employee of or volunteer for an organization which serves seniors or people with disabilities.

When Are Meetings Held?

The meetings are usually held every fourth Thursday of the month at 2:30 p.m. and are open to the public.
How Do I Become a Member?

Begin by filling out the VMAAG member application online at valleymetro.org/form/vmaag-online-application. Once an application is submitted you will be contacted by Valley Metro staff.

How Long Do Memberships Last?

VMAAG member terms last for two years and members may be reappointed for up to two additional terms, totaling six years of membership.

Member Expectations

Valley Metro likes to uphold certain expectations of its VMAAG members.

• VMAAG members must attend at least 75% of scheduled meetings each year, either in person or by telephone/teleconference or the member will be subject to removal.

• Stay up-to-date and familiar with Valley Metro and specific issues brought to the group for input.

• Speak up and be heard! Valley Metro wants all VMAAG members to provide input to staff to help ensure policies, products, programs and services are accessible to and usable by seniors and people with disabilities.

If you have questions about becoming a member, please contact Guillermo Gonzalez by email at ggonzalez@valleymetro.org or by phone at (602) 251-2033.
